PRICE 2 CENTS.

Who would exchange the merry noise of children at play, with the childless home where the clock tick can be heard hour after hour in the dull silence? But there are a great many who would like to be like the people who have the children that fate has refused them. Fate is often in this case only another word for ignorance. Many a glad mother's day she first began the use of Dr. Pierce's Favorite Prescription. It often happens that with the cure of female weakness and the establishing of the delicate womanly organs in sound health, the way is opened for the joy of motherhood. "Favorite Prescription" is a specific for the chronic ailments peculiar to women. It cures them perfectly and permanently.

No other medicine can do for women so much as "Favorite Prescription." Do not therefore let any other medicine be palmed off on you as "just as good."

"I can truly say your medicine is a friend of mine," writes Mrs. Arthur Bratt, of Amherstburg, Ontario, Canada. "I am mother of four children and suffered greatly at times of birth of first three. When three months along with the last one I began to think of trying some medicine to ease those terrible pains and asked our doctor whether there was anything he could give me to lessen labor pains. He said there was nothing but I would write to Dr. Pierce. He advised me to take his 'Favorite Prescription.' I started to take it the first month. I was very weak, had heart trouble and would faint away two or three times a day. Our doctor could not help me, but life was a drag. I would often say, oh, if I could only die in one of these spells; but I took five bottles of 'Favorite Prescription' and felt better every day. I had heard of painless childbirth, and I thought it must be a good medicine that would help me, but I did not know how for myself, and can not tell it plain enough. Your 'Favorite Prescription' is the best medicine as we mothers know. I advise my friends to try it. Baby is now four months old and is a strong healthy boy."

Dr. Pierce's Pellets Cure Constipation.

Acting as a Bar to Profitable Employment.

You cannot afford to grow old. In these days of strenuous competition it is necessary to maintain as long as possible one's youthful appearance. It is impossible to do this without retaining a luxuriant growth of hair.

The presence of Dandruff indicates the presence of a burrowing germ which lives and thrives on the roots of the hair until it causes total baldness. Newbro's Herpicide is the only known destroyer of this pest, and it is as effective as it is delightful to use. Newbro's Herpicide makes an elegant hair dressing as well as Dandruff cure.

Accept no substitute—there is none. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

Two Dyspeptics
If you are too fat it is because your food turns to fat instead of muscle—strength. If you are too lean the fat-producing foods that you eat are not properly digested and assimilated.

Lean, thin, stringy people do not have enough Pepsin in the stomach, while fat people have too much Pepsin and not enough Pancreatic.

Kodol Dyspepsia Cure
contains all the digestive juices that are found in a healthy stomach, and in exactly those proportions necessary to enable the stomach and digestive organs to digest and assimilate all foods that may be eaten. Kodol is not only a perfect digestant, but it is a reconstructive, tissue building tonic as well. Kodol cures Indigestion, Dyspepsia, Sour Stomach, Heartburn, Palpitation of the Heart and Constipation. You will like it.

Digests What You Eat
Rests the stomach, rebuilds the tissues and gives firm flesh.

DISCONTENT IN JAPAN.

The number of direct memorials to the throne from different associations and individuals condemning the peace treaty and asking that it be not ratified exceed 40, among which is an address signed by six professors of the Imperial University, at Tokio, one of whom was recently placed on the retired list owing to his strongly worded peace thesis.

This memorial strongly urges the necessity of refusing to ratify the peace treaty and condemns it as entirely annulling the purpose of the war as set forth in the declaration of hostilities. It is also stated that indisputable reasons exist for refusing to ratify the treaty, which is deemed to be pregnant with elements of humiliation and future danger to the national interests.

In spite of persistent editorials in the leading papers demanding the resignation of the cabinet, it is believed that the ministers will continue to hold office until after the adoption of the post-bellum measures, especially those regarding finance and the Chinese and Korean problems.

It transpires that in spite of Premier Katsura's assurance to the contrary to the editors, there exists a clause in the peace treaty by which Japan undertakes not to fortify Soya Strait. As a result, intense indignation is felt among the influential classes, as this is deemed to be the greatest humiliation Japan has ever suffered.

The restriction thus placed upon her territorial liberty is looked upon as being an unbearable indignity, and as constituting the blackest record in the history of a country which has never experienced defeat at the hands of other nations.

The constitutionalists are gradually assuming a firm attitude of opposition to the government.

Insurance Company to Close Business

The Equity Life Insurance Association of Staunton has announced its inability to longer continue business and that it has paid out all its assets to its policy holders. This information was communicated to each policy holder by letter. It has been intimated that the causes of the company's failure were the numerous recent death losses and the complications in the Equitable Life of New York and the Royal A. annuities.

It is understood that the company has realized on all its assets and has disbursed all the money in its hands. It is said that the officers of the company are doing the best they can to protect their members, and any premiums received are promptly returned. The Equity is the last of four insurance companies organized in Staunton, all of which did business on some form of assessment insurance. The Equity Life Insurance Association was an active insurance company for more than seventeen years.

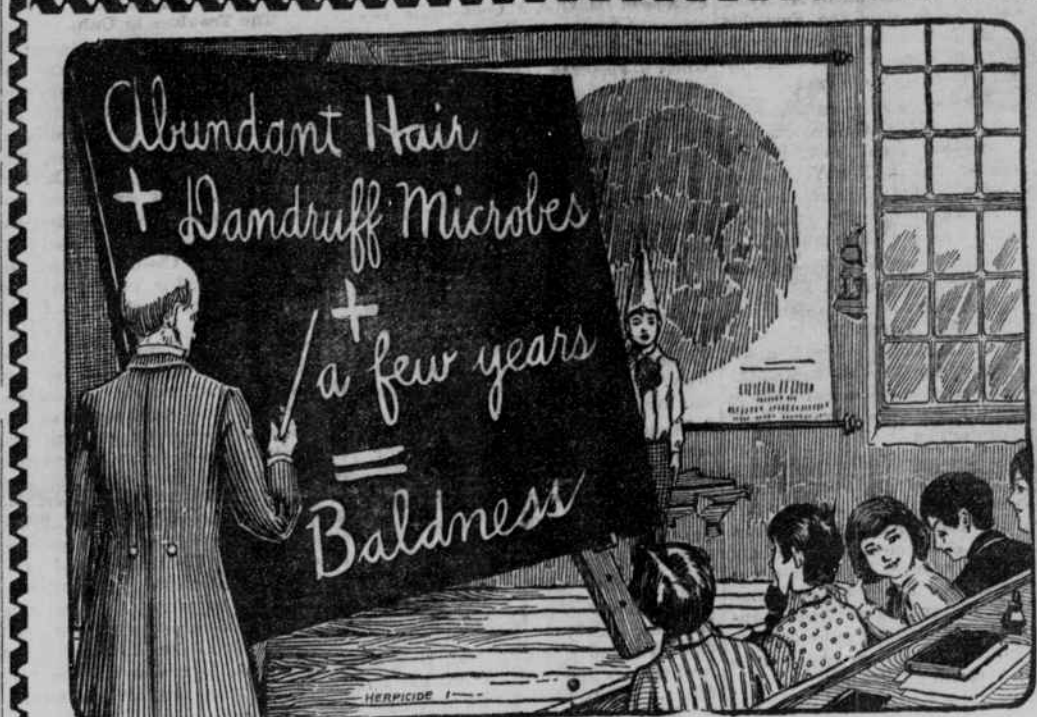

The policy holders of the company living in Loudoun, Fauquier and adjacent counties have received circular letters from the secretary of the company announcing that the company had failed and was compelled to retire from business owing to the recent trouble in the Equitable Life of New York and the Royal Arcanum. The company assigns no other reasons, gives no statement of its affairs, and makes no mention of the distribution of its assets. This company carried many policies in Loudoun and adjoining counties, and the individual losses will range from \$500 to \$1,500. The policy holders contemplate concerted investigation of the company's transactions and have employed counsel to enter civil action, if found possible, against the officials of the company for restitution of funds received by the company with knowledge of its insolvency. Criminal proceedings will be begun if the facts warrant this course.

Two Men Killed by Train.

Walter Craven, aged seventeen, a carpenter, and Leslie H. Gerringer, a telegraph operator for the Southern Railway block signal office at the west yard limit, at Greensboro, N. C., were found dead beside the track near the loud shifting yards, a mile from the passenger station, last night. A man standing near the track as southbound passenger train, No. 35, passed noticed two men on the track step off in great haste from in front of a passenger engine. The man, after the engine passed, failed to see the two men. But hearing groans, he made an investigation and found two bodies badly mangled men beside the track a hundred yards distant. One man's head was crushed. The other, who survived a few minutes, had a leg and both arms severed. The railroad company has had this track policed to protect trespassers from peril. The city makes the fact of walking on it a misdemeanor, and only two weeks ago several people were heavily fined by the mayor for using so dangerous a place for a sidewalk.

The Colonel's Waterloo.

Colonel John M. Fuller, of Honey Grove, Texas, nearly met his Waterloo, from Liver and Kidney trouble. In a recent letter he says, "I was nearly dead, of these complaints, and, although I tried my family doctor, he did me no good; so I got a 50c bottle of your great Electric Bitters, which cured me. I consider them the best medicine on earth, and thank God who gave you the knowledge to make them." Sold, and guaranteed to cure Dyspepsia, Biliousness and Kidney Disease, by E. S. Leadbeater & Sons, druggists, at 30c a bottle.

NEWBRO'S HERPICIDE.

THE ORIGINAL REMEDY THAT "KILLS THE DANDRUFF GERM."

School Children.

Every school child should know that baldness is a contagious disease, caused by a microbe. Prof. Unna, of Hamburg, Germany, discovered that dandruff, itching scalp, falling hair and final baldness are produced by a germ or microbe that passes from one head to another, extending deep, and deeper into the hair follicles, saps the life of the hair root and produces baldness.

It Takes Years

to produce complete baldness, for the action of the dandruff microbe is not constant in every case. It is governed by predisposition, by the state of health, by environment, but particularly by the endeavor made to combat the growth and development of the dandruff microbes, which can only be destroyed with Newbro's Herpicide.

This new antiseptic scalp germicide is past the experimental stage. It was made to destroy the germ that causes dandruff and falling hair, and by coaxing energy back into the impoverished follicles, it enables the hair to grow naturally and luxuriantly. Thousands of letters from physicians, clergymen and laymen tell the same story of its wonderful success.
